Dear Parents

Greetings from DPS Nacharam!

We trust that all families are safe and healthy in these Covid times. School is glad to have received good response to the Google feedback form sent to you recently. The school has been conducting online classes since March 2020. It has continuously assessed students in Numeracy, Literacy and Scientific skills. We appreciate the fact that both students and parents have adjusted themselves to the new normal and have more or less settled themselves to the TFH/SFH academic programme initiated by the school.

The term syllabus is completed as per the almanac. Periodic Test 1 was conducted for grade 3 to 12. Keeping in view the Term I syllabus completion, and the compliance to CBSE assessment calendar, the school has decided to conduct Half -Yearly Examination for classes 3 to 8, Periodic Test 2 for classes IX and X from 5th to 19th October 2020. Keeping the age of the children of the preschool and junior school in mind, personalized child friendly observations are being conducted for reading and numeracy at this level .It is mandatory that each child has certified in the following before taking the exams/ e-admit card process.

- 1) Proper attendance of at least 80%
- 2) Notes completion and submission neatly to the subject teacher.
- 3) Clear fee dues (if any)

School has already started active revision, remedial and enrichment support classes for students. The time table with syllabus details will be shared with you shortly.

We wish all students good health and the best of luck for the upcoming exams!

Mrs. Sunitha Rao (Honorary D.Litt)  
Principal
