Dear Parent,

(For classes VII & VIII)

Greetings from DPS Nacharam!

In response to special requests from parents, the school proposes to continue the IIT foundation course for the academic year 2021-22.

The purpose is to enable them to inculcate analytical power, logical thinking and reasoning capabilities and to empower them for their higher education in future. They are exposed to various topics in Mathematics, Physics and Chemistry covering the syllabus of SSC, CBSE & ICSE which form an integral & vital part of their college education. Skills like problem solving and analyzing the in-depth concepts will be inculcated in their foundation. Our main focus is on Concept Consolidation and promoting the analytical abilities of students.

All Test Papers, Assignments and Worksheets are designed as per future competitive exams. Students are encouraged to prepare the complete concepts as per text book guidelines. Assessment will be conducted at the end of this phase to ascertain students' understanding and preparation levels.

Interested parents to fill the google form given below latest by 2nd March 2021
