Dear Parents

(Classes IX & X)

Greetings from DPS Nacharam!

'Leadership is unlocking people's potential to become better!'

School has made earnest efforts in the conduct of online classes for all classes from the month of March, 2020. The syllabus is being covered as per schedule. With the TFH (Teach from Home) and SFH (Study from Home) in process today, assessments have been conducted online through CRA (Common Revision Tests) and online Concept tests so far.

School has been able to assess learning outcomes of students through these tests. Hence, it intends to go ahead with formal assessment keeping in mind that six months of academic classes have been completed successfully. The Periodic test will begin from 24th August 2020. **Please go through the circular and the date sheet carefully and help your ward prepare for the same.**

Subject Enrichment activities as designed by the school have been conducted during classes from the month of March, 2020. ASL (Assessment of Speaking and Listening skills), practical experiments in Science and map work in Social Science have been part of subject enrichment as directed by the board. All students must ensure neatly maintained classwork books. **Please note that active engagement in classes and regular submission of homework, classwork and projects as per CBSE guidelines is being assessed regularly by school.**

It is compulsory for students to be on the video mode at all times during classes. The school is marking the attendance of students and 80% attendance is a must as per CBSE norms. The CBSE registration process has begun for students. Hence, it is essential that we monitor the progress of the child consistently and encourage him/her to attend the online classes regularly.

We solicit your cooperation in the academic interests of all students.

**Mrs. Sunitha .S Rao
Principal**
