**Greetings from DPS Nacharam!**

***“Don’t wait until you’ve reached your goal to be proud of yourself.  
Be proud of every step you take toward reaching that goal.”***

We welcome your ward to the final part of the school journey.

In view of the global crisis the school and home has faced many challenges. However as always we at DPS Nacharam have embraced all challenges and ensured the academics are on track with regard to syllabus completion, assessments, doubt clarification sessions, extended Remedial, Revision and Enrichment classes. School has also provided experience of various co-scholastic activities. School has ensured students had ample time to hone their skills productively.

School is in the process of major planning to reopen school for the Board going classes of classes X and XII from the month of February 2021 as per the Government orders.

Taking the Google feedback into account and looking into other modalities, school has decided to conduct the Annual Examinations for class XI on the **ONLINE MODE**. The exams will be conducted only for Theory part of the subjects as per the CBSE pattern. Practical exams will be conducted on a later date in the month of March / April 2021.

It is mandatory for all the students to appear for the Annual Examinations to be eligible for promotion to class XII. **There will be NO Retest for the Annual Examinations.**
