

Dear Parents

Classes V & VI

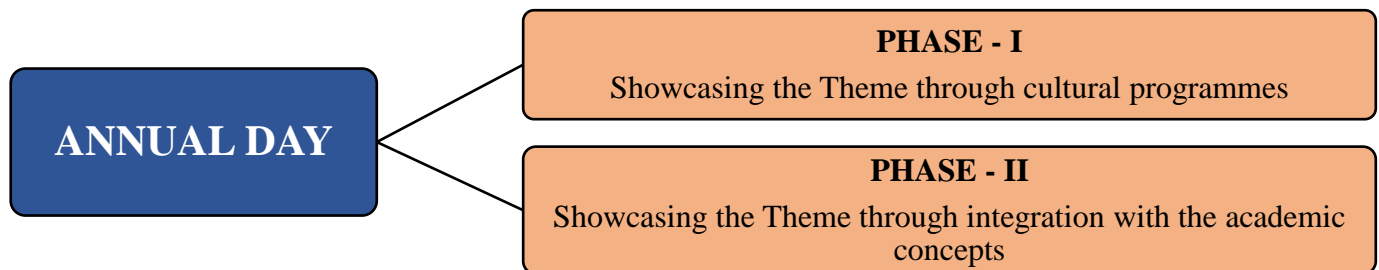

Greetings from DPS Nacharam!

School has always put in its best efforts towards holistic development of students. Staying true to this school is happy to announce that it is hosting Annual Day celebrations for students of Pre-Primary to Class VI.

The Annual Day consent form was sent on 4th January to elicit consent from parents regarding the same. School is hereby inviting the registered students, to be a part of our Annual Day celebrations.

Kindly encourage your ward to participate regularly in all the practice sessions so as to ensure that the programme showcases the best talents of your ward on the day of the final performance.

This year we have a revised format of Annual Day, designed carefully keeping in mind the multidisciplinary approach as per the recent NEP (National Education Policy) guidelines of integrating the Scholastic and Co-scholastic components towards holistic development.
